(History and DT taught after ½ term)

Music

Ourselves and Our Land

The children will use voices to create their own soundscapes exploring pitch.

RE

The Creation Story

The children will learn and express their own ideas about the story of creation

Geography

Maps – Travel and Transport

Looking at different types of travel and transport around the world.

Using maps to locate different parts of the British Isles and beyond.

English

- Basic sentence structure
- Instruction Writing
- Narrative: An evening at Alfie's (Shirley Hughes)
- Recount following visit to the Cheltenham Literature Festival

Welcome to Year Two!

Miss Bowman & Mrs West (2A) Mr Bridgwood & Mrs Flenley (2B) Mr Williams & Mrs Edwards (2W)

We think that you may find it useful to know about the work your child will be covering this term. Reading, writing and maths continue to be a priority and will be taught alongside the other curriculum areas. Thank you for all the help and support you give your child with their learning, particularly with respect to reading and homework. We look forward to meeting you at our Year 2 Curriculum evening on **Wednesday 21st September 2016 at 5:30pm.**
