

Reception Newsletter

A very warm welcome to Reception and Warden Hill Primary School. We look forward to a great year ahead, working in partnership with you to help your child with their learning, their social development and most importantly having fun.

RW - Miss Rand

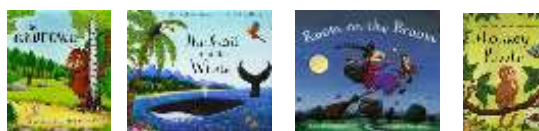

RH - Mr Bailey

Please note:

Every other Wednesday Mrs Tucker will be teaching RW and Mrs Compton will be teaching RH.

Each half term we will send out a topic web so you know which objectives your child will be covering this term (see reverse).

All the activities planned in school will link to our main theme. The children will be following the three prime areas and the four specific areas of the foundation stage curriculum. Our topic this term will be 'Once upon a rhyme' and we will be focusing on Julia Donaldson's wonderful stories.

Wellies

If possible please could you send in an old pair of **named** wellies that can be kept in a strong carrier bag on your child's peg.

Parent or grandparent helpers!

We are always looking for parents who can offer some time to help in class. Please speak to your child's teacher if you feel that this is something you would like to do.
