Autumn 2016  
Issue 1

Monday 5th September

## An Exciting School Year Ahead

We would all like to welcome everyone back to school.

It promises to be another very exciting year with lots going on.

We are welcoming all the children who are new to the school over the next few weeks including the reception classes and some children who are joining us in

other year groups. Warden Hill Primary School continues to be very popular and spare places are snapped up very quickly (we just have a spare place in Year 2 at present).

We also want to welcome our new teachers: Miss Bowman in Year 2, Mr Williams in Year 2 and Miss Crosby in Year 3 (Miss Bar-

rett) will be joining us after half term.

Our priorities for the year will centre around maintaining the high standards in the core subjects of maths, English, science and computing whilst making sure we keep doing all the other things such as theme days and house events that make Warden Hill a great place to learn and grow.

### Coming Week

(Club letter to be emailed next week)

Mon	<i>First day back at</i>
Tue	
Wed	
Thu	<i>Diary dates to be sent out</i>
Fri	<i>No Merit Mark Assembly</i>

## Some News from Mr Hiatt

During the summer holidays I have had a long think about my future and have decided to set off on some new adventures.

I have told the governors that this will therefore be my last term at War-

den Hill and I will be taking early retirement at Christmas.

I have loved being head teacher of our fantastic school and know I am leaving it in a very strong position to be able to

tackle all the challenges of the future with confidence.

I will miss the school terribly and thank you for all the support you have given me over the past five years. You will be hearing

from the governors in the coming weeks with regard to the changes that will take place after Christmas.
