Important information for parents, carers, guardians and people connected with the school

Dear Parents,

Below are the key dates for the year ahead so that you can arrange your diary and time off work if necessary. You can see that it is already looking like a very busy year and there will be more to add as the year progresses. As before, we will try to stick to the dates given but with such advanced notice dates may change closer to the actual time but we give you as much notice as possible of any changes. Specific times are still to be set for many events but if it would help to have an idea of the times please ask the office or one of the staff.

Yours sincerely,

Mr Hiatt
