Transition into Year Three/Juniors

Dear Parent,

It is an exciting time of the year again and your child's transition into year three has already started! They have already met their year three buddy who has told them more about what to expect next academic year. Your child has also had fun exploring the junior playground.

We really enjoyed meeting your child this week as part of transition morning. They were introduced to their new teachers and teaching assistants, as well as seeing their new classrooms.

The information below is intended to assist you with the upcoming changes to your child's routine. In September, the Year 3 team will hold a Curriculum Evening where we will discuss the year ahead in more detail.

- The year three classrooms are located on the ground floor, immediately behind the junior hall.
- From 8:45, your child will enter school through the junior gates (By the side of the Year 6 classrooms). A member of staff will be on the playground from 8:45am, so you are not required to wait. For the first week, the year 3 teachers will also be on the playground to greet your child at 8:45am.
- Snacks will no longer be provided. Please can your child bring in fruit or vegetables to eat at break time.
- Book bags are no longer required and instead most children choose to use a rucksack to carry around their belongings.
- At the end of the day, your child's teacher will walk them to the front playground where they will be collected. If they cannot see their parent, they will be redirected to wait in the reception area for your arrival. If your child attends After School Club they meet in the junior hall at 3:15.

There is an opportunity to meet your child's new teacher at our open afternoon on Wednesday 18th of July 3:30-4:30pm. Please come to see us then if you have any other questions.

Here's to a great year - The Year 3 Team
