Update from the Head Teacher

Well, here we are - the last newsletter of 2018! It has been a truly fabulous term and this newsletter is a celebration of the last few weeks of term. All our children have worked incredibly hard since September and I congratulated them all on their efforts in our last assembly this morning. As the festive period is never really a rest, I reminded our children to take some quiet time out over the holidays; read a book, enjoy a family walk, tidy your bedroom (there were lots of groans and laughs at this one!) or just simply enjoy being at home.

As the song goes, 'It's the most wonderful time of the year' and it really has been in school recently. Our Reception children did a super Nativity and I know that all of you who came to watch loved it as much as we did. Our Y1 'Carols around the Christmas Tree' was so well supported by family members and our children really enjoyed performing to you all. Our final infant Christmas event was our Y2 'Shepherd's Delight'. It was an exceptional performance by all our

Y2 children, from the number of songs they had to learn to their clear speaking and all round feel good factor! Well done children.

Our junior children put on a fabulously festive Carol Service at St. Phillips and St. James, which was really well supported by our family members. We were so proud of each and every one of them and it was a fitting way to finish the term with such an excellent performance for our last service in that church, as it will undergo construction changes in the New Year.

That just leaves me to say; I hope you have a wonderful holiday, wherever you are, and enjoy the family time together.

From all the staff at Warden Hill, we wish you a very Merry Christmas and fabulous 2019!

Mrs Georgina Flooks

Christmas news

Reception Nativity

Reception starred in their very first school nativity 'A King is Born'. They sang and acted with beaming smiles and we were very proud of them all. Well done Reception!

Y2 Production

Year 2 have had an amazing time practising and performing Shepherd's Delight. The children did a fantastic job of practising, remembering their lines and singing all of the songs beautifully. They have done themselves proud. From everyone in Year 2, we wish you a Merry Christmas and a happy New Year.

Y6 Christmas Party

The Year 6 Christmas party was incredibly fun. We played a wide variety of games and many prizes were won. As well as this, another addition of musical chairs was introduced to us! It was an extremely fun last Christmas party at Warden Hill!

Y1 Festivities

Year 1 have had some Christmassy fun this week creating moving pictures. We hope that you all have a very Merry Christmas!

Y5 Brussel Sprouts

After watching the short film Sprout Boy, Year 5 have been writing their own television adverts. The aim was to encourage more people to eat Brussels Sprouts this Christmas. We looked at lots of different types of persuasive writing techniques including ambiguous phrases, rhetorical questions and the use of emotive language. We researched facts about sprouts and then wrote our own television advert which we performed in front of the class. Written by Rhys Y5

Y4 Festivities

Year 4 have had a lovely final week. We started the week off with a Christmas party in the hall, where Christmas orientated shapes were made. We have had fun sewing calendars and stockings to get us in the festive spirit. This has nicely rounded off a busy term.

Junior Carol Concert

The Junior Christmas Carol Concert was held in a large church with astonishing stain glass windows. I had a part to play during one of the songs. I walked up the aisle, leading a line of Year 6s, Alfie, Lewis, Emily K, William W, Freya, Mason and Ruby singing 'Come Worship Him' with all the Year 6 children. I felt nervous singing in front of such a big crowd, but I kept on smiling. I enjoyed listening to Reverend Gary and singing for the last time at the church with all the juniors.

Special Mention

When an exceptional piece of work is produced and teachers wish to celebrate the success, they bring their work to my office to share with me.

Jacob Y5 recreated Zeus's Temple based on his Y5 Greek Topic (this was not a homework task). It took Jacob three months to create this work of art and I am sure you will agree it truly deserved a Head Teacher's Award.
