

Warden Hill

PRIMARY SCHOOL

22 November 2019

Dear Parents

XPRESSIONS APP

We have been informed that Groupcall have yesterday released an update to Xpressions app, which fixes the notifications issue we have been experiencing.

Please make sure you have the latest version of the app installed and that your notifications for the app are enabled in your phone's settings.

Please refer to the Parent Support page for more information.

<http://parents.groupcall.com/>

If you have any other issues with the app or you're not sure if you receive all communication from the school, please contact the school office on 01242 523827, email admin@wardenhill.gloucs.sch.uk or pop in to see Mrs Nowacka.

Thank you so much for your patience while Groupcall have been working on sorting this out for us.

Kind regards

Georgina Flooks
Headteacher
