

# Warden Hill

PRIMARY SCHOOL

Dear Parents

## Spring Term Clubs 2020

WHPS teacher clubs will go live at 8.00pm on Tuesday 7 January. You will be able to sign your child up to a club via the Xpressions app as per last term. Please contact the school office as soon as possible if you are unable to use the Xpressions app. If you are unsuccessful and would like to put your child on a waiting list, please contact the office.

Please make sure to choose the correct year group and not to double book.

If you're interested in clubs run by an external agency, their forms can be found on our clubs page at <https://wardenhill.gloucs.sch.uk/about-warden-hill-primary-school/clubs/> Please contact them directly to book places.

As a school we are really proud of the number of teacher led clubs we are able to provide. Please note, teacher led clubs and sports teams are supported at the generosity of our staff. Staff are not paid for the time they contribute to running these clubs and their associated events. If you feel there is a gap in our after-school club offering, and would be willing to provide a club, please speak to me and we can explore this opportunity. Thank you for your continued support.

Warmest regards,

Mrs Flooks
