

A Day  
in the Life  
of a Reception Child

at Warden Hill Primary School

Hello my name is Noah and I'm in Reception.

When the whistle is blown, I line up at the gate and my teacher comes to meet me. I wave goodbye to my grown up and go into school.

I hang my coat on my special peg in the cloakroom and put away all of my other belongings, such as my book bag and water bottle.

To start with I will go straight to activities, but once I have been in school for a few weeks, I sit on the carpet and wait for my teacher to do the register and lunch list.

There are lots of different things to do in our classroom. I particularly enjoy making up stories using the dinosaurs.

We can also

We can have milk or water and a piece of fruit for our snack. Sometimes we have apples, pears, bananas, carrots, oranges, raisins and even tomatoes.

At playtime we're able to play with the other children in the infants and have a weekly turn on the 'green' area, using the play equipment.

During class time, we have an outdoor area to play in.

There are lots of different things to do and play with.

In the summer we have Forest School sessions where we explore the outside environment. I love to climb the trees and toast marshmallows!

It's nearly lunchtime!  
Before lunch, we go to the toilet and  
wash our hands.

First thing this morning I made my lunch choice, so all I have to do is line up at the kitchen to collect my special plate of food. Once I have collected my lunch, I'm able to choose a pudding. There is also bread and a selection of salads that I can pick from.

I can't wait to tuck into my lunch! Today I'm having tuna baguette, yoghurt and fruit.

It's the afternoon and time for more learning and fun! We have short carpet sessions during the day to learn.

When it's time for PE I collect my bag from my peg and put on my t-shirt, shorts and pumps. We do PE twice a week in the hall or outside. It's very exciting!

When it's tidy up time I help to put all of the activities away, so that they are ready for the next day.

It's the end of the day and my grown up has come to collect me. I gather together all my bits and bobs ready to take home. When the class is ready, we line up at the door.

I can't wait to come back tomorrow!
