Dear Parents

## Year 3 Stone Age Day, Friday 20 November

As part of our history unit 'How did life change from the Stone Age to the Iron Age?', Year 3 are having a Stone Age experience day on Friday 20th November.

During this day the children will be learning more about the Stone Age. They will sculpt pots out of clay and explore daily life through drama.

**Please can your child come dressed up as a person who lived in the Stone Age.** In the Stone Age, they primarily wore animal skin or fur. Please can all children ensure that they are wearing a warm base layer as some of the activities will take place outside.

We are sure that your child will relish this opportunity to enhance their learning. Thank you for your support.

Mrs Weaver and Mr Bridgwood
