

Warden Hill

PRIMARY SCHOOL

31 December 2020

Dear Parents

I hope that you have all had a lovely family Christmas, despite the last minute changes, and have managed to make the most of the gorgeous seasonal weather.

No doubt you have all heard the government's update yesterday, moving Gloucestershire into Tier 4, which brings with it new restrictions, which can be viewed online: [Tier 4: Stay at Home - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/news/tier-4-stay-at-home)

However, **I can confirm that we will be open as normal from Tuesday 5th January for all our pupils.** All of the previous staggered drop off and pick up times remain the same – 8:40–8:55am drop off – please note, register is taken at 8:55 and children will be marked late after this time. Pick up times: 3pm for Reception, Year 3 and 4 and 3:15 pm for Year 1 and 2 and Year 5 and 6.

I've mentioned the below before, but in order to protect our school community as much as possible, please from now on follow the bullet points in line with our Risk Assessment and our additional protective measures. This is to ensure that we do everything possible to reduce the risk of a possible positive case(s) in school:

- All adults to wear a mask/visor on site
- The infant one way system must be adhered to at the beginning and at the end of the day. The children must stay with their adults at all times, children running around is understandably causing some angst with other parents and it is not helping our site protocols and is increasing the risk.
- Please as much as possible adhere to social distancing on site whilst waiting and keep any children who have been collected at 3pm with you whilst you wait for siblings at 3:15pm.
- Please contact the school office if you are waiting for a test result to come through at the start of term: admin@wardenhill.gloucs.sch.uk or 01242 523827
- We will continue to ensure that there is ventilation at all times during the school day in the classrooms and that there is a full 'air' change during break and lunchtimes – as per our Risk Assessment.
 - Please remember to read through the Year Group Curriculum letters that were sent through on 22nd December via Xpressions. They are also ready to view on the relevant Year Group webpages.

As always we need to continue to work together: children, staff and parents to keep our school community as safe as possible and I thank you for your anticipated support and cooperation with this.

I'd like to take this opportunity to wish you all a very Happy New Year when it comes and look forward to seeing you all on Tuesday 5th January at the school gates.

Kind Regards

Georgina Flocks
Headteacher
