Dear Parents,

Welcome back!

We hope you had a wonderful Easter break. We are excited for the new term ahead and are looking forward to exploring our new theme 'Stomp, Stomp, Stomp!'

When we return after Easter, you will receive the Summer 1 objective map, illustrating what we will be covering, as well as ideas of how you can help at home. This will also be available on our Reception page of the school website.

DINOSAUR MUSEUM

Our end outcome for this theme will be creating a dinosaur museum. If you have any recycling e.g. cardboard, kitchen roll tubes (to use for skeletons!), cylinder pots or bottles, we would appreciate it if you would be able to bring them in, as and when throughout the term. Thank you in advance.

We look forward to sharing our finished dinosaur museum with you.

PHONICS

The children are continuing to work hard with their phonics and we will continue to recap and reinforce the Phase 3 digraphs and trigraphs after the Easter break.

They have also been working hard at recognising the high frequency and tricky words in their green keyword books. Please could you encourage your child to recognise these words by sight, rather than sounding them out, as this will help with reading fluency when these words appear in their reading books.

FOREST SCHOOL

Wednesday afternoons

RR: 19 May, 26 May, 9 June, 16 June

RW: 23 June, 30 June, 7 July, 14 July

What to wear: wardenhill.gloucs.sch.uk/forest-school/

PE

Please note a change in day of when the Reception children will be carrying out PE this term.

PE days will be on a Tuesday and now a Friday.

Could the children please continue to wear PE kit to school on these days.

WATER BOTTLES

Please could we ask that school water bottles that are used throughout the day, are filled with water only, in line with our school policy. Many thanks.
