This trip will be very exciting and will reinforce our science work on animals with a particular focus and learning session on habitats.

Required on the day:

- A packed lunch (no cans, glass, or fizzy drinks please)
- Plenty of water
- Children should wear school uniform and bring a coat if there is any chance of rain
- A sunhat and sunscreen would also be good as we will be outside all day
- The children will need to carry their own backpack containing their lunch and drink

If your child suffers from hay fever or asthma they should take any medication they might need before they go. If they need to bring that medication with them, please speak to your class teacher.

We would find it impossible to fund the trip out of school money. Therefore we ask parents to make a voluntary contribution of £13.55 towards the cost of the visit. All payments can be made via ParentPay. Please make sure to provide your consent by ticking the appropriate box. Parental consent is necessary for your child to attend this trip off school's premises.

Parental consent and payment deadline is **27th May**.

Yours sincerely

Mr Bailey, Mrs Harrison and Mr Antonious
