Dear Parents.

Year 5 have been given an exciting opportunity to visit 'Skillzone' in Gloucester. Skillzone is a state-of-the-art education centre, set in a life-size village. It contains 16 zones, which cover a range of scenarios children may come into contact with as they grow up, such as: road, water, rail and home safety. More information can be found on the Skillzone website: www.skillzone.glosfire.gov.uk

Required for the Day:

- Children should wear school uniform as normal.
- Children will still be able to order a hot dinner, should they wish

This trip has been such a success in the past and we are pleased to let you know that we have secured funding for the entry cost. We are asking parents to make a voluntary contribution of **£6.00** towards the cost of the coach. It would be impossible to fund the coach out of school money, therefore if insufficient voluntary contributions are raised to fund the coach, it may have to be cancelled. All payments can be made through the ParentPay system and should be made by **1st November to allow us to make an informed decision if the visit can go ahead.** Please make sure that you provide your consent by ticking the appropriate box.

Thank you for your continued support,

Mrs Prew & Mr Herbert
