Feet First Dance Festival 26th March 2025

Dear Parents.

Here is more information regarding our upcoming dance festival on **Wednesday 26th March** at Cheltenham Town Hall.

- We are leaving school at **09:50am** if you are able to help with lifts
- Doors open to the audience: **12:40pm**
- Performance Time: 1:15pm – **3:00pm**

What the children need to bring

- Plenty of water
- A lunch box with further snacks to keep them going throughout the day.
- Hairbrush, hair bands, grips, hair spray
- If the girls wish to put on make-up for the performance, then there will be time to apply it during our lunch break. I suggest no more than: mascara, blush and lip gloss. This is not a necessity but a lovely added extra to make the day even more special!
- Something to keep the children occupied (magazines, notebooks, cards – no electronics). In between watching other performances, our rehearsal time and lunch time, there may be a small window of opportunity for some ‘down-time’ during the morning.

What to wear:

The children may **come to school** wearing something comfortable that they will be able to dance in when we get to the Town Hall. We won't have time to change before our rehearsal time. No jeans please.

I will be in touch shortly when we have decided as a group, what we will be wearing for the actual performance. I'll get the dancers to let you know as soon as a decision has been made.

Many thanks for your support in this event.

I cannot express enough how incredible this day is for the children – a magical moment in the Year 6 calendar.

Mrs. Andrews
