PRIMARY SCHOOL

14<sup>th</sup> March 2025

Dear Parent.

## **Netball Tournament Friday 21<sup>st</sup> March High School Leckhampton**

We have entered two netball teams into a competitive netball festival on **Friday 21<sup>st</sup> March** at High School Leckhampton Secondary School and your child is invited to play.

The tournament begins at 10:00am and is due to finish at 3:00pm.

We will be walking the netballers to High School Leckhampton and aim to leave by 9:05am.

We will back at school for 3:15/3:20pm where you will be able to collect your child from the main school office.

Please could you complete the expressions form giving your consent for your child to play in the tournament. (Unfortunately, parents are not invited to watch.)

### **What your child will need:**

- Your child will need to come to school in their netball kit (we will provide netball t-shirts the night before)
- Warm outer layers, that can be removed as we will be playing outside (Please keep an eye on the weather forecast!)
- Plenty of water
- Lunch box
- Plenty of healthy snacks to keep up energy levels!

Many thanks and here's to us continuing our success this netball season.
