TIMINGS

5.30PM	Gates Open Food & Bar Open
6.30-6.50PM	Fireworks
7PM	Clear Site*

*Please be respectful to our neighbours when entering and leaving our site.

IMPORTANT INFO PLEASE READ

There will be a PTA run bar with both Hot and Cold drinks – Hot Chocolate, Mulled Wine, beer, soft drinks etc and some colourful UV Glow items for sale. **Please note the change in location of the Bar this year, it will be in the Yoga Studio as shown on the site plan.**

We are striving to be a cashless site, so if you do bring cash, please ensure you have change.

There will be tasty Food Vendors including Brinko's with both adult and children's options (see menu below). And The Moreish Grazer with their delicious Indian cuisine including their signature samosa chaat and other 'quick and go' savoury items (please bring cash for this vendor).

All children must be supervised at all times for the safety and enjoyment of all. **The Infant Green and ALL play equipment is strictly off limits.** If any accidents occur in these areas or on the equipment it is the responsibility of the parent/responsible adult.

Durham Close and the School Car Park will be out of bounds (except for residents and disabled Blue Badge holders) between the hours of 5 – 7.30pm to ensure the safety of the spectators and volunteers working at the event and allow emergency access. Feel free to park in the surrounding streets, but please be respectful of our neighbours, and we encourage people to walk where possible.

All the fireworks will be aerial ones, so you will be able to see from wherever you stand. **Strictly no sparklers allowed. Please see site plan below for entry and exit routes.**

ENTRY, EXIT & EMERGENCY PROCEDURE

Please take time to look at the Site Plan which shows where everything will be located including; the First Aid area and Toilets, the entry and exit routes (route 2 is for exit & emergencies only), and what to do in the highly unlikely event of an emergency. **If there is an emergency and we need to clear the site as quickly and calmly as possible a bell will ring continuously and all spectators will be directed by the Marshalls to leave by the exit route closest to them.** This will be either via the side entrance you came in, or as per the usual end of day routine, both of which are marked on the site plan. Entry this year will be via the usual drop off/pick up path, rather than through the car park to ensure safety of all spectators.

SITE PLAN

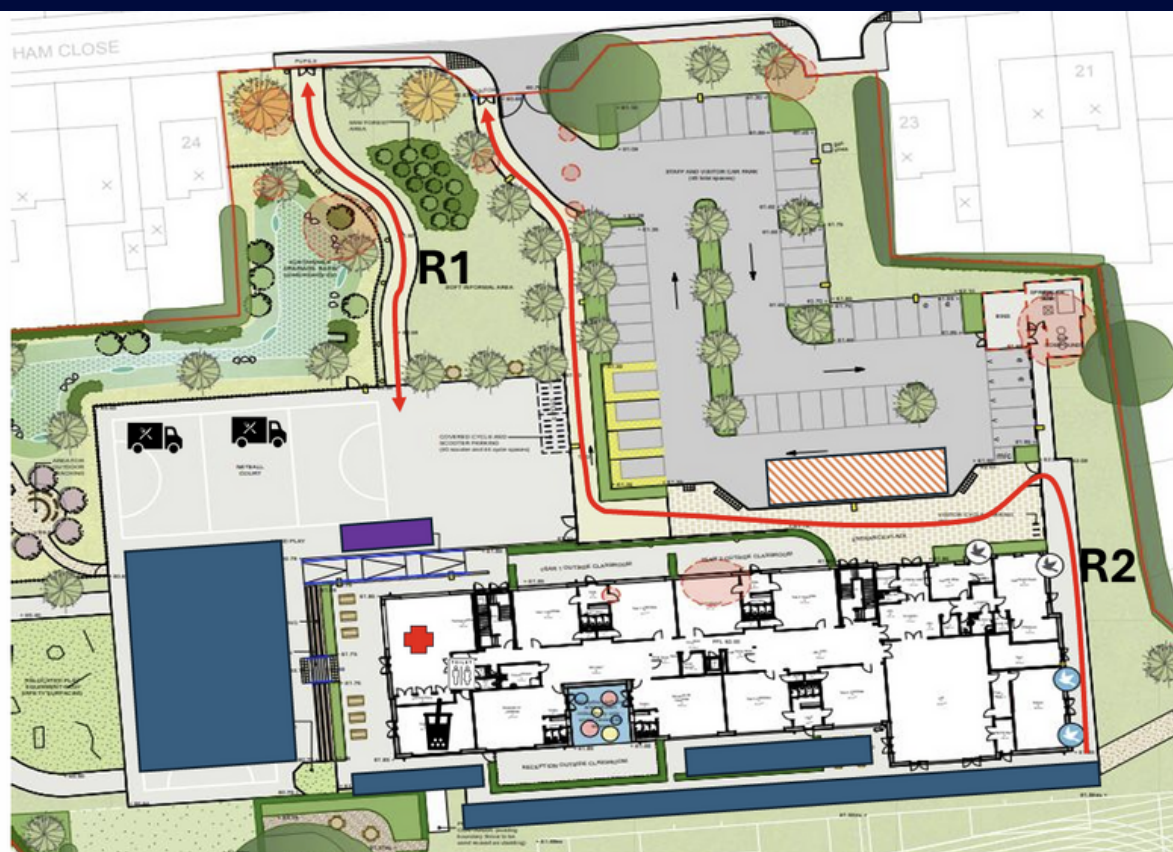

Site Plan
