Just by taking part you'll be supporting 2 fantastic local charities that help support children facing childhood cancer, life-limiting and life-threatening conditions.

Childhood cancer is one of the most common causes of death in children in the UK. Every year, just over 4,000 children and young adults receive this life-changing diagnosis.

The Grace Kelly Childhood Cancer Trust is working hard to raise awareness of childhood cancer signs and symptoms. We produce educational resources for parents and clinicians, provide support to families and fund research into rare cancers of childhood

James Hopkins Trust believe that every child deserves to experience joy, laughter and love, regardless of their complex medical needs, diagnosis or condition.

For over 30 years, we have been dedicated to providing unwavering support to children in Gloucestershire who are life-limited or life-threatened, empowering them to live life to the fullest and make magic memories.

Sign up today and together we can help support local children
