

# Our Eco-Code:

At Warden Hill we will:

- Recycle plastic, cardboard, paper and in the classroom recycling bins.
- Turn off lights and interactive whiteboards to save energy.
- Turn off taps after we have used them to save water.
- Bring reusable water bottles to school.
- Put any litter carefully in the bins on the playground.
- Be gentle with animals e.g. worms and spiders.
- Try to eat more plant based food
- Put food waste in the right bin, so it can be used to create energy.
- Pass our clothes onto someone else to wear when we grow out of them.
- Be active and exercise regularly.
- Walk, cycle or scoot to school if we can.
