

Key Instant Recall Facts

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

- I know my number bonds to 7
- I can count to and back to/from 30

Key Vocabulary:

Number bond, Make, Add, Equals, Total, Pair, Count, Forwards, Backwards, Before, After, Sequence

Stem sentences to use:

___ and ___ make ___.

I know ___ + ___ = ___.

The number after ___ is ___.

The number before ___ is ___.

Suggested activities:

Number Bonds to 7

- Use counters or small toys to find different pairs that make ___.
- Play a matching game with number bond cards to ___.
- Use a seven frame to explore different ways to make ___.
- Practise number bond facts during everyday routines (e.g. “What goes with 5 to make ___?”).
- Sing number bond songs or play quick-fire “make ___” games.
- Bunny ears- Decide on a number to make. Put your hands on your head as ‘ears’ and challenge your child to make 3, e.g. show two fingers on one hand and one on the other.

Count to and Back To/From 30

- Count forwards and backwards to 30 together every day.
- Count steps while walking, starting from different numbers.
- Play “What’s the next number?” or “What’s the number before?” games.
- Count backwards from 30 during tidy-up time or before an activity begins.
- Spot numbers to 30 on doors, buses, calendars, or number lines and practise saying the numbers in order.
