**To all the children, parents and staff at Warden Hill School**

Thank you for your magnificent harvest donations, which are a great help to us at Lakeside Project, as well as other community pantries on this side of Cheltenham.

Good job my car has a big boot!

The network of community pantries in Cheltenham means that households who are struggling with the cost of living, can come to us for help and for £4 a week, they can have a range of groceries, fruit, vegetables, bread and cleaning products. Your donations really help with that.

We are open every Tuesday from 11am to 12 noon and welcome school visits – thank you Warden Hill School!

Best Wishes Sarah Bamford Lakeside Community Pantry
